COTONEASTER PRAECOX

* This is one of the hardiest Cotoneasters and went through 20 degrees below zero without any harm. It has large berries like cranberries which color up in the middle of August and remain on until very late Fall. It grows rather flat and makes an ideal plant to mix in with foundation plantings and especially with ranch type houses. It also makes an ideal low spreading hedge.

* 1,500 2 yr. tr., 8-12" .50 .45 *

* - * - * - * - * - * - * - * - * - * - * - * - * - * - * - * - * - *

EXCCHORDA WILSONI

* This plant was introduced into this country by the famous Dr. Wilson. It is a big improvement over Exochorda grandiflora as it blooms much heavier and the flowers are exceedingly fragrant.

* 400 2 yr. grafts, 18-24", from field rows .75 *

RHUS COTINUS ROYAL PURPLE

* (New dark purple-red leaf Smokebush) *

- There are several varieties of Purple Smokebush although Royal Purple -

* is considered the very best. A number of varieties of Smokebush have *

- been tried out in the nursery with Royal Purple always turning out to -

* be the most outstanding. I am convinced of this to the extent that it *

- is the only one now being propagated in the nursery. Royal Purple -

* keeps its rich dark purple reddish colored foliage from Spring to late *

- Fall. In late summer the matured leaves show a mottled edge which is -

* a light red edge around the dark purple leaf. It is an outstanding *

- plant in that it draws the attention of all who visit the nursery and -

* is greatly admired for its brilliant foliage. The foliage is darker *

- than any red Japanese Maple. The plant is adaptable for use as a -

* lawn specimen especially in locations where the Japanese Maple is not *

- hardy. Royal Purple is the only purple Smokebush to receive a Certi- -

* ficate of Merit from the Royal Horticultural Society. The branches *

- make an excellent filler for bouquets especially with Chrysanthemums. -

* 2,500 2-3', 2-5 branches, B.R. 1-99 \$1.75 (each) 100 or more \$1.50 (each) -

* 1,500 3-4', B.R. & B&B, \$3.50 (each) per 10 \$3.00 (each) per 100 *
